# 2020

## 1. CODICE FISCALE

---

*The first step is CODICE FISCALE!*

During your stay in Italy, you will need it: at University, for permesso di soggiorno (residence permit), for renting apartment, to open bank account, in hospitals, to buy insurance etc.

---

### THERE ARE TWO WAYS TO GET CODICE FISCALE:

---

1. In the consulate of Italy in your country (what will make your life easier), before coming to Italy. It may take 3 to 7 days (depending on the weekend) so it is better to take care of this in advance.

2. In the agency called AGENZIA DELLE ENTRATE (via Santa Caterina D'Alessandra 23, 50129)

*Contact information:*

- +39 055 478 7111
- [agenziaentrate.gov.it](http://agenziaentrate.gov.it)

---

### DOCUMENTS NEEDED:

---

Passport (with visa inside) and copies of all passport pages (including empty ones).

!!! Try to calculate your time so that you can get a passport with a visa and then get the Codice Fiscale. If there is not enough time, you can do the Codice Fiscale in the consulate of Italy in a few hours, but it will cost **50 euros in cash!**

## 2. INSURANCE

---

1. Health insurance can be bought in any Italian post office for approximately 100 euro. You can also obtain an insurance that fits your personal needs online.

**This insurance only covers emergency cases**, i.e. only if you were taken by ambulance to the hospital and given an assistance. It does not apply to other situations, so if you need to visit a doctor in a usual way, you will be billed for medical services.

2. As for travel insurance (they can be of different categories), it can also be done for the entire period of your stay in Italy. However, **it must be done in advance in Russia before arriving in Italy and for the**

**entire period**, since, being on the territory of another country, you will not be able to get or extend an insurance with Russian insurance companies.

### 3. PERMESSO DI SOGGIORNO

---

*Foreigners intending to reside in Italy for more than 3 months are required to apply for a **residence permit (Permesso di soggiorno)**.*

Those who come to Italy for the first time must submit an application for a residence permit **within 8 workdays**.

You need to address to post offices (Poste Italiane) and ask a set of documents called «**kit**». To complete the set of documents (kit) you can apply for free help to the «Comune di Firenze» (*via Francesco Baracca, 150p, 50127, check working hours*) or to the Patronato Bureau. There you can find special agents that explain foreigners how to fill this «kit».

With complete kit, you need to return to the post office to apply documents.

---

#### DOCUMENTS NEEDED:

---

- Passport with copies of all its pages;
- Approval of your studies in Italy (copy of Letter of acceptance from the University + copy of Memorandum/Agreement between Universities);
- 4 pieces of photo;
- **Marca da bollo** (it costs 16 euro in any Tabaccheria where you can pay only cash);
- Health insurance (see above about **INSURANCE**)
- **Money**. No less than 150 euro (Usually 30 euro for the documents shipping, 70 for permesso itself)

When submitting a request for Permesso di Soggiorno, foreigners receive a **receipt (ricevuta)**.

With a receipt (ricevuta) in his hands, a foreigner can leave the territory of Italy and enter the country of his origin (along with a document confirming his identity) in the following cases:

- *during the renewal of the residence permit;*
- *while waiting for the first Permesso.*

**Provided that:**

- Entry and exit from Italy are carried out through the same border crossing point and without transit through other Schengen countries;
- A passport with a visa of the same type as the requested Permesso di Soggiorno and receipt (ricevuta) is available.

!!! *You can travel around other Schengen countries with a Student visa, but you cannot enter or exit Schengen zone not via Italy.*

*However, if you have a valid tourist visa in your passport, these restrictions do not apply to you.*

## 4. ACCOMMODATION

---

Unfortunately, **this program does not provide any accommodation for students for free**, but here are some links that will help you:

- <https://www.roomgo.it>
- <https://m.subito.it>
- <https://www.casa.it>
- <https://www.immobiliare.it>
- <https://www.uniaffitti.it/>

We strongly recommend looking for housing a few months before your arrival in Italy.

On these sites, you can find housing options suitable for you. Beware of scammers and do not rush to transfer money to personal accounts of landlords without any guarantee.

It is necessary to require documents for the property and identity cards of the owner of the apartment in mandatory order, as well as specify in advance the terms of termination of the contract and discuss the cost of utilities and the process of payment (all these points must also be spelled out in the contract)!

It is better to approach this issue with all seriousness and responsibility, as some have problems with accommodation on arrival.

You can also contact the students who studied here last year and maybe they share with you the contacts of their landlords.

## 5. MATRICOLA, STUDENT CARD, EXAMS AND GRADES

---

In order to register for exams, receive and accept marks you will need

1. **Matricola** (student id)
2. **Study plan** - piano di studi
3. **UNIFI app** or **Official site** (<https://studenti.unifi.it/Home.do>)

**UNIFI App** 4.4

### GETTING YOUR STUDENT CARD AND MATRICOLA

---

Matricola is assigned together with a student card. It serves as:

- pass to libraries and canteens of the university
- free pass for bus, tramvia and trains within Florence
- discount card for certain museums (in fact, to very few ones for non-EU citizens)

**You do not need your student card to access classes** (it will take some weeks to make it)!

#### Steps to receiving your student card:

1. Bring your application to the International desk in the D15 building. You need to have the following documents on you:
  - invitation from UNIFI
  - confirmation
  - passport scan
  - 2 hours for the line
2. Pay NOT the transportation tax of 48. If staff insists - ask Prof. Concetta Tricarico
3. Upload your photo to your account following the instruction

4. Receive a confirmation mail in your university mailbox (ends with @stud.unifi.it) or a message in *Messaggi Personali*
5. Receive your card

## 6. STUDY PLAN

---

- **Most of the courses are taught in Italian!**

*However, you can ask professors directly for materials in English and ask to pass an exam in English.*

- A study plan is individual!

Here some useful info links:

1. The general timetable of all courses taught at the Political Science School: <https://www.sc-politiche.unifi.it/vp-505-orario-lezioni.html>
2. Study plan of the courses taught in the "Relazioni Internazionali e Studi Europei": <https://www.rise.unifi.it/vp-448-piani-di-studio.html>

---

## 8. RECEIVING GRADES

---

Teachers put grades in their personal account, which is what the email tells you in the university mailbox. Within 10 days you can confirm or reject the mark, otherwise it is registered automatically. If you do not accept the grade, you are free to sign up for any next exam in this subject. This does not affect grades, and the number of attempts is limited only by the number of exams (appelli).

---

## 9. MOODLE

---

As you might expect, the courses imply reading literature, studying additional materials, watching news etc. Professors kindly put slides of presentations used during classes and lists of literature (as well as certain items) on the course page on the Moodle platform.

**You can access it through this [link](#).**

In order to access the course page you are likely to need

1. matricola
2. your UniFi password (same to get to your personal account and UniFi mailbox)
